4 **READING.** Read the article about Darcy Miles, a teenage actor, and then answer the questions. For each question (1-7), mark A, B or C.

Darcy Miles

Darcy Miles, one of the most popular young actors, is now filming College Rap. He began having acting lessons six years ago and was in his first play at ten years old.

At fourteen, he immediately became well known, not for acting in the theatre, but on TV. "That was fun!", he says. "I was in a fast-food advert with a cartoon clown, but filming College Rap is much harder work. I have to play baseball and sing in the film, which is fine, but I need to have dancing lessons too. When we finish filming each day, I don't go out with friends. I usually sit in the bath for an hour because my legs and arms hurt! But I'm enjoying myself because the three adult actors who are the teachers in College Rap are really good. They've filmed all over the world. They've taught me to remember my lines more quickly too. I needed half a day to learn five pages, but now I only need a quarter of an hour.

Being well known is great but Darcy isn't interested in buying lots of expensive things or going out. "But I'm asked to do really interesting work now and that's wonderful," he says. "I don't get excited when I watch myself in films. I know I'm getting better, but I still need to improve!"

Well, Darcy, we think you're brilliant!
